EXPERIENCE

DIGITAL DESIGNER

H&H MEDIA

(2013 - 2015)

Worked in the tablet division producing the interactive version of Canadian House & Home Magazine for multiple devices. I was responsible for planning, designing, and producing layouts that maintain the integrity of the original print design for the iPad and iPhone. I executed proofing for functionality and interactivity and understand the importance of adhering to strict deadlines. I also assisted in conceptualizing and creating fun animations, in-house interactive ads, advertising campaigns, and extra features that has helped H&H digital edition grow in readership.

DIGITAL HEAD

(2011-2012)

I was the lead designer for Queen's University Fourth Year Fine Art Fundraising Team and the 2012 graduating class exhibition catalogue. I was in charge of creating posters, pamphlets, and tickets for various fundraising events and auctions.

ART AUCTION COMMITTEE MEMBER

(2011-2012)

I was part of a team to plan and organize an art auction in March for fundraising towards the final fourth year art show. Tasks included designing the tickets, invites, pamphlets, and posters, organizing artists and artwork, and overseeing the event. Team skills played a large part in the success of this event.

SELECTION COMMITTEE UNION GALLERY

(2011-2012)

I was part of a selection committee to assist with filling the summer section of programming with professional artists as well as planning the upcoming year with student proposals.

STUDENT ARCHIVIST OSHAWA COMMUNITY MUSEUM AND ARCHIVES

(2010)

I was the student archivist working in the photography section of the collection. Responsibilities included digitizing collections, database work, filing archival material, and creating a colouring book for children with Victorian era content.
